EMPLOYMENT HISTORY

The Ohio State University; Columbus, OH; Graduate Teaching Assistant, 1999-2002

Served as one of the Department of Theatre Lighting Studio Teaching Assistants, instructing students on the procedures and methods of being an electrician in a theatrical atmosphere. During my time I also taught the theatre department's Introduction to Lighting class and was a leader in many of the lighting design classes I attended during my time at the university. Also maintained the lighting inventory of the three theatrical spaces at the university, and the lighting areas of the Theatre Department website.

Six Flags Great America; Gurnee, IL; Lighting Designer, Moving Light Programmer, Assistant Lighting Designer, Stage Manager, Master Electrician, Lighting Supervisor, and Technician Lead, 1991-present

Served as the Lighting Designer for the parks many diverse theatrical venues, these venues include indoor, outdoor, proscenium, thrust and many other types of spaces. Also have served as the moving light programmer, stage manager, and master electrician at many of these same spaces.

Pheasant Run Resort; St. Charles, IL; Setup Crew, Concert Crew, Special Event Crew, 1994-present

Worked with the local crew to set-up and run many of the resorts special events.

Debbie's Dance Dimensions; DeKalb, IL; Lighting Designer, Data Processing, Dance Recital Crews, 1989-present

Worked as the lighting designer for the dance studios bi-annual dance recitals, along with making and implementing the data processing system used at the studio.

J.B. Robin Company, Inc.; Studio City, CA; Setup Crew, 1994-1998

Worked with the road crew of the show presented by J.B. Robin Company to install their show lighting systems in Chicagoland theatres and performance spaces while the show toured through the area.

Campus Activities Board: Northern Illinois University; DeKalb, IL; Concert Crew, 1993

Worked to assist the road crews of many outside companies in the install and strike of their shows in campus theatrical venues.
